

High Performance Starts with the Proper Parts

APS now offers FAA-PMA Approved replacement brake parts for several Corporate and Commuter aircraft using a Multi-Disc type internal wheel brake.

APS Multi-Disc replacement brake parts features:

- More cost effective than the OEM parts
- Manufactured from high quality Aerospace materials
- Engineered, manufactured, and tested to provide the highest level of quality to equal or exceed OEM performance
- FAA-PMA Approved
- Manufactured in the USA

FAA-PMA Replacement Parts for:

- Pilatus PC-12, Textron Aviation 1900C and D, and the Citation 500, 501, 550, S550, 551 using Cleveland Brakes
- Many new FAA-PMA approved parts for Cleveland and Meggit Brake Systems arriving monthly
