

# Get Moving Again With **New FAA-PMA Drive Bars**

## *Gulfstream V & G550 PMA Drive Bars Now Available From Av8*

Operators, MROs and wheel & brake facilities can regain capabilities that may have been lost due to parts accessibility issues with original manufacturers.

The PMA replacement parts are fully certified and engineered for direct replacement of the OEM equivalent. PMA parts solutions from Av8 reduce costs and strengthen your part supply chain without the OEM hassle and headache.
