FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

Dear Mr. Rodriguez:

In accordance with the provisions of Title 14, Code of Federal Regulations (14 CFR), part 21, Certification Procedures for Products, Articles, and Parts, subpart K, the Federal Aviation Administration has found that the design data, based on Test and Computation submitted by AV8 PMA, LLC., with your letter dated August 26, 2019, meets the airworthiness requirements of the regulations applicable to the products on which the articles are to be installed. Additionally, the FAA has determined that AV8 PMA, LLC. has established the quality system required by § 21.307 at 6100 West by Northwest Blvd., Suite 100, Houston, Texas 77040. Accordingly, Parts Manufacturer Approval (PMA) is hereby granted for production of the replacement articles listed in the enclosed Supplement No. 9.

You are reminded that the provisions of 14 CFR, parts 21 and 45 noted in our PMA letter of approval dated April 29, 2019, also apply to the enclosed PMA Listing-Supplement No. 9. The enclosed supplement should be retained with the PMA letter as evidence of approval to produce the articles concerned.

Sincerely,

Ford J Lauer III
Manager

Enclosure

-----END OF DATA-----

GENERAL NOTES:

- 1) Provide minor design changes in a manner as determined by the ACO. Process major design changes to drawings and specifications in the same manner as that for an original FAA-PMA.
- 2) The FAA accepted the ICA approach for the above articles with their designs. This ICA may refer to those of the respective articles from the holders of type certificates. Otherwise, provide supplementary ICA for differences in the replacement articles. Make referral statements or supplemental ICA readily available per 14 CFR § 21.50.
