-----End of Listing-----

Note:

- 1) Provide minor design changes in a manner a determined by the ACO. Handle major changes to drawings and specifications in the same manner as that for an original FAA-PMA.
- 2) The FAA approved ICA for the above articles with their designs. These ICA may refer to those of the respective articles from the holders of type certificates. Otherwise, provide supplemental ICA for the differences in the replacement articles. Make referral statements or supplemental ICA readily available per 14 CFR § 21.50.
