* See attached Federal Aviation Administration (FAA) Approved Model List (AML) SA02049SE for approved aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of Stene Aviation, Inc. Wing Tips with LED lights installed and maintained in accordance with Instructions for Continued Airworthiness (ICA) as listed on AML SA02049SE.

Limitations and Conditions: Approval of this change in type design applies to the aircraft listed in AML SA02049SE only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of the other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and AML SA02049SE and the applicable ICA, must be maintained as part of the permanent records of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
