Model:

* See attached Federal Aviation Administration (FAA)
Approved Model List (AML) SA2359NM for approved
aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of tail wheel assembly in accordance with the applicable
FAA-approved Master Drawing List as specified on AML SA2359NM.

Limitations and Conditions: Approval of this change in type design applies to the model aircraft as listed on
AML SA2359NM only. This approval should not be extended to other aircraft on which other previously approved
modifications are incorporated unless it is determined that the relationship between this change and any of those
previously approved modifications, including changes in type design, will introduce no adverse effect upon the
airworthiness of that aircraft. A copy of this certificate and AML must be maintained as part of the permanent
records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the
other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until
surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the
Federal Aviation Administration.*
