

United States of America
 Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA3099SO

This certificate is issued to
 Causey Aviation Service, Inc.
 6120 Smithwood Road
 Liberty, NC 27298

This certificate is issued to the holder for the following product with the limitations and conditions specified herein unless otherwise indicated by the holder of this certificate.

Original Product: Type Certificate Number: A7SO
 Make: Piper
 Model: PA-34-200

Description of Type Design Change: This modification will allow installation of Causey Aviation Hinge Assembly, P/N 62371-108 for the above model per Causey Aviation Drawing Number L-3 dated September 9, 1991, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationships between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until such time as the holder of this certificate is otherwise advised by the Administrator of the Federal Aviation Administration.

Date of Application: September 9, 1991
 Date of Issuance: December 16, 1991

Signature of the Administrator
 John Tighe
 Manager, Atlanta Aircraft
 Certification Office

This certificate may be transferred in accordance with FAR 21.47.
 Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.
