Supplemental Type Certificate

Number SA4614NM

This Certificate issued to Aero Twin, Inc.
2403 Merrill Field Drive
Anchorage, AK 99501

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: *Refer to FAA Approved Model List (AML) Number SA4614NM, dated July 5, 2016, or later FAA approved revision, for aircraft makes and models, corresponding Type Certificate numbers, and applicable airworthiness regulations.
Make:
Model:

Description of Type Design Change: Installation of Aero Twin, Inc., Main Gear Gravel Deflector Kit No. GD6-100 when manufactured in accordance with Aero Twin Drawing List No. AT1600, revised per ECO AT-166, dated March 11, 2016, or later FAA approved revision, and installed in accordance with Aero Twin Installation Instructions, Revision D, dated March 11, 2016, or later FAA approved revision.

Limitations and Conditions: The approval of this change in type design applies to the basic Textron Aviation Inc. Models 206 and 210-5 series airplanes noted in the AML. This approval should not be extended to other airplanes of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationships between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 25, 1988

Date issued:

Date of issuance: June 30, 1989

Date amended: September 3, 1999; July 5, 2016
